EDUCATION

AKTU Lucknow, Location — *Lucknow*
Bachelor of Technology (B.Tech)
7.5/10 CGPA | JULY 2023

GIC Prayagraj, Location — *Prayagraj*
Intermediate (12th)
75.60 % | APRIL 2018

GIC Prayagraj, Location — *Prayagraj*
High School (10th)
86.00 % | May 2015

EXPERIENCE

Personal Project: Swiggy Clone – Online Food Delivery Platform | JULY 2023 - PRESENT | **Live Preview**   **Source Code**

- ➢ Independently conceptualized, designed, and developed a fully functional online food delivery platform clone using **React, Parcel, Tailwind CSS**, and various APIs.
- ➢ Integrated **Swiggy APIs** to fetch restaurant data, enhancing the application's authenticity and functionality.
- ➢ Incorporated **Microsoft Maps API** to accurately fetch user location, enabling the dynamic suggestion of nearby restaurants.
- ➢ Employed **Git and GitHub** for version control and collaborative development.
- ➢ Deployed the application using **Vercel** for reliable and scalable hosting, ensuring optimal user experience.

Final Year Project: Collaborative Q&A Platform for College

APRIL 2023 - MAY 2023 | **Live preview**   **Source Code**

- ➢ Co-led a team of two in designing and developing a collaborative Question and Answer platform using **React.js and Tailwind CSS**.
- ➢ Utilized **Parcel and Babel** to optimise code deployment, ensuring seamless performance across browsers.
- ➢ Integrated **React Router** for navigation and utilized **React state** to enable interactive features (upvotes, downvotes, comments).

SKILLS

PROGRAMMING

Over **10,000** lines of code: HTML, CSS, JavaScript,JSON,REST APIs, DOM, Debugging, Java, Data Structure, React.JS, Redux.js, React Router, Tailwind CSS BootStrap

Familiar

Git, GitHub, Agile Development, CSR, SSR, Responsiveness, Microservices, WordPress, Domain Names, Hosting.

Others

Vs Studio · Adobe XD Photoshop · Adobe illustrator Canva · Vercel (Deployment)

CERTIFICATIONS

React.js Certification
(upGrade | August 2023)

LINKEDIN SKILL ASSESSMENT

- ➢ React.js – Proficient
- ➢ JavaScript– Proficient
- ➢ Object–Oriented Programming – Proficient
- ➢ Git – Proficient
- ➢ GitHub – Proficient
